

RULES FOR THE USE OF PACIFIC HIGH SCHOOL STADIUM

1. **No parking of cars on the north side of Sunset Drive.** (There is parking on the south side of Sunset Drive; there is parking on Congress Avenue; and there is a large parking lot between the high school and the upper field (the upper field is immediately east of the stadium.)
2. **No pets, other animals, bike riding or skateboarding** are allowed in the stadium.
3. **No spectators or children are allowed inside the black fence around the track.** The track is open for community use by walkers and runners, not spectators. Only players and coaches are allowed in the bench areas.
4. **Teams may NOT go onto the track or the field area while the previous game is still going on.** You may sit in the stands or wait in the area near the snack bar; or you may warm up on the upper field just outside of the stadium.
5. **People from the community** (who paid for this facility) **will use the track for walks and runs.** Make them feel welcome! We should try to accommodate them as long as they don't interfere with the game or stand around spectating (spectators are to remain in the stands).
6. Only drinking water is allowed on the field - **no food, no gum, no candy, no peanuts or similar** things and **no beverages other than plain water.**
7. **ALL alcoholic beverages are prohibited** on school property, so be SURE to tell any friends who come to watch the game to leave the beer (and anything else that contains alcohol) in the car.
8. The bathrooms will be unlocked - be sure to keep them clean and report any problems to Tom Moore or Ernesto Pacleb.
9. During the fall season, we must move the goals off the field at the end of the last game of the day. **LIFT the goals and carry them CAREFULLY. Do NOT drag the goals on the artificial** turf - it damages the turf and obviously this stuff doesn't grow back.
10. During games, the only people allowed inside the fence around the track are the two teams that are playing, their substitutes, coach, manager, the referees and locals using the track for walks or runs. Everyone else must be outside the fence that goes around the track.
11. **Team warmups must happen outside the stadium on the upper field.**
12. **Remove all trash from the field and the stands when you leave.** Pick up and remove someone else's trash with you when you see it. Trash bins are located by the restrooms and in the stands.
13. We have a permit for just the games shown on the schedule published on the website. **Do NOT use this field outside these scheduled games** unless you have obtained a permit.
14. **No cooking or sales of food is allowed in the stadium.**

Some benefits of affiliation with the United States Adult Soccer Association:

1. Personal accident insurance policy (max \$5,000, \$400 deductible)
2. Liability insurance
3. Referee training and assessment
4. Appeals structure and hearing rights
5. Cannot prohibit you from simultaneously playing in other leagues.
6. Disciplinary committee/number of cautions to suspension.
